# LAW ENFORCEMENT

## The proposed policy

1. LOCAL STATE AND FEDERAL LAW ENFORCEMENT OFFICERS ARE ENCOURAGED TO (AND DO) ATTEND SECKC MEETINGS.
2. SECKC DOES NOT KEEP ANY 'MEMBER LIST' NOR ANY LISTS OF MEETING ATTENDEES, THEREFORE WE CANNOT PROVIDE THIS INFORMATION TO ANYONE.

# VENDORS

## The proposed policy

If a Vendor wants to give a talk:

1. Must be InfoSec related and bring value to the SecKC audience.
2. No product walkthroughs unless it's Free Open Source Software (FOSS)
3. No Gartner "Quadrant Magic" shit
4. No roadmap, sales projections or customer listing

# SPONSORS

## The proposed policy

### **SPONSORED : \$1500 (Monthly)**

Vendor Banner hung in a prominent position on entry to venue. SecKC to announce "Tonight we have a sponsored open bar"

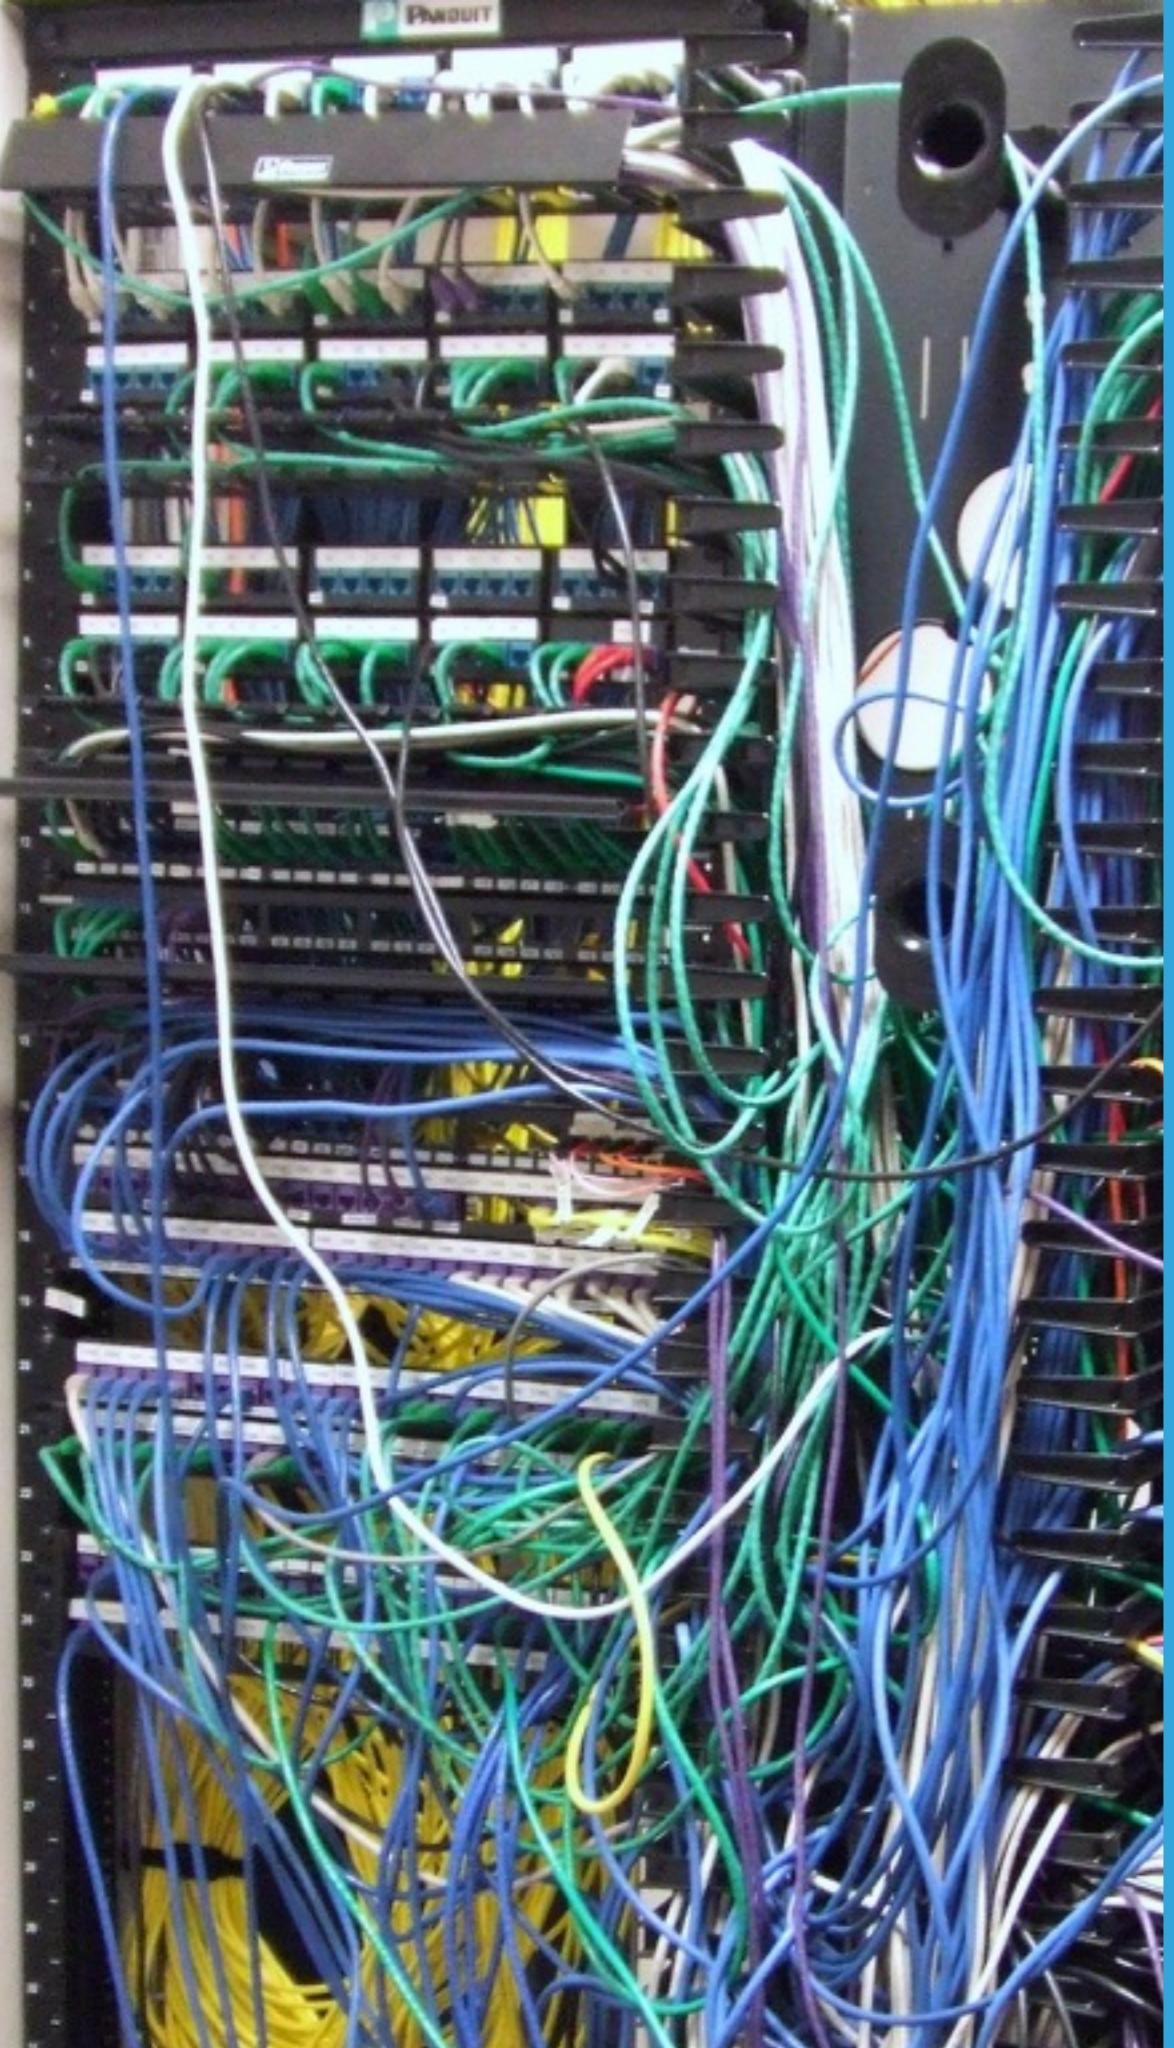

### **RECOGNIZED : \$2500 (Monthly)**

Vendor banner hung in same position as above, but vendor name mentioned, logo on surrounding televisions and can contribute to grab bag with branded items.

### **HONORED : \$5000 (Monthly)**

Same as Platinum, but can setup booth in rear of SecKC, and have a 5min product introduction and can open the SecKC Meeting.

# VPN FOR MEMBERS

configs can found at [seckc.org/vpn](http://seckc.org/vpn)

SecKC is providing this account to our members to protect their communications.

We are sharing ONE USERNAME and ONE PASSWORD. Do not give it out to any one. If you do, you are a huge jerk and may cause this to go away. It is for SecKC members only.

SecKC does NOT HAVE ANY visibility into account usage, nor who is using it. This service is to protect communications and is not for any illegal activity.

We do not have any way to track who uses this service as we give the credentials away openly at meetings, and do not keep a log of who attends meetings.
